

STARVING ARTISTS MOVERS

COMMERCIAL PLASTIC TOTE POLICY

We are happy to provide plastic totes for your move at no charge, provided they are empty and available for a one-time pickup within ten days after your move. Thereafter, tote pick up is charged at \$45/man-hour, round trip from our Concord terminal.

Plastic totes not available for pick up will be billed @ \$15.50 per tote.

The weight limit for a plastic tote is 45-60 pounds. Exceeding that limit could break the tote. Clients will be billed for broken or damaged totes.

We appreciate your cooperation.

Please be sure that an accurate count of totes delivered or returned has been obtained, and that a copy of this receipt is kept for your records.
